

**Special iDent Surgical Guide Software Offer for California Complete Dental Laboratories Dentists**

Dear Doctor,

Please take this opportunity to review a fantastic offer from CCDL for receiving your iDent Surgical Guide Software at no cost to you! California Complete Dental Laboratories (CCDL) is one of the leading dental labs in the United States for high quality restorations and aesthetics. We are Implant Specialists and are happy to be partnered with iDent Imaging, going on our 2<sup>nd</sup> year. We are honored to be recognized by Delta Dental, who help us promote our wonderful Continuing Education Seminar Program, including many of the nation's leading dentists-lecturers.

Our latest program allows dentists who finance their iDent Surgical Guide Software and Guides package to have their payments fully paid by California Complete Dental Laboratories:

- Purchase your iDent Software and finance through National Technology Leasing for 24 monthly payments of \$291.67 a month\*
- Send your lab work to CCDL for the first month of your lease payment for a minimum of \$1,300.00 and have that 1<sup>st</sup> month's payment fully paid by CCDL.
- If you love our work, and continue to send cases, CCDL will cover your lease payment IN FULL, as long as you send \$5,000.00 of work per month.
- Send CCDL a minimum of \$3,000.00 of work per month, and we'll credit you in the amount of half your lease payment.

This offer for new dentists expires August 31, 2010 (to get started). If you purchased your software and guides through financing provided by National Technology Leasing before this date, and continue to send lab work, CCDL will cover your lease payments for the remainder of your lease.

We are proud to be a partner of iDent and look forward to providing your office with beautiful lab work and superior implant placement, and establishing a wonderful long-term relationship.

Sincerely,
